## For The Christmas Stocking Next Wednesday

IT is the thought and not the present that is appreciated at Christmas.

ANYBODY, who wants to, can find something to give, if he wants to give it.

IT is better to give than to receive.

ALL these arguments and a thousand more are put up for giving and to make people see that the only happy Christmas, is the Christmas of giving.

YOU may say all you want to about the pleasure of giving—but we are here to tell you there is another pleasure on the other side of it—receiving.

BUT receiving ceases to be a pleasure when you receive something that strikes no responsive chord in your heart, that does not appeal to your intellect, nor satisfies your appetite, nor meets your needs, nor suits your fancy.

THEREFORE, the things to consider when buying a present are: the heart, the intellect, the appetite, the need or fancy of the person you are to remember.

HAVING said all this, we want your attention a minute longer to say a word about The Breckenridge News.

NEXT Tuesday evening the paper will come from the press in plenty of time for the Christmas stocking, and we know the person who receives it as a Christmas present, will recognize all its qualities as an ideal gift.

THE BRECKENRIDGE NEWS strikes that responsive chord in the heart of the one who reads it every week, year in and year out, that makes it the present that is a pleasure to receive.

\$1.00 A YEAR. 25c for 3 Months.

Remember Four Friends With One Dollar

AN attractive Christmas Card will be sent with the paper next Wednesday morning.

Enjoyed The Show In Chicago.

Dear Mr. Babbage:—I have never thanked you for those tickets you sent me to the live stock exposition. I certainly enjoyed it immensely. I did not get to go but twice, but the way things went off was wonderful. They certainly had some fine looking stock and I sure enjoyed seeing them for it made me think of some fine cattle and horses I had seen in Kentucky.

I don't know what I would do if I had to do without the News for it is just like a letter from home. That is one thing I look forward to as much as I do the letters from my mother.

Am doing fine here but I believe I like Ky. the best. I wanted to let you know that I received the tickets and enjoyed it all. Yours sincerely,  
Kendrick Jolly.
